## **2020 DRILL COMPETITION/EDMONTON TRIP**

### **INFORMATION**

Good day Parents and cadets of 577/2850 and the Clairmont Sea Cadets. This is a very exciting time for us as we will be embarking on our first ever tri-service competition for Grande Prairie.

If your cadet is on the drill team, they automatically have a seat on the bus. Since there is only 18 members of the drill team, we did not want to send a partially filled bus as the cost is the same if we fill it. So, we are sending a cheering squad lol. There was a sign-up sheet for the cadets to sign up to fill the bus so hopefully your cadet signed up. If you are not sure please ask any member of the 577 staff to find out or reach out to me on Facebook. We will be leaving at 1500 hrs (3:00) on Friday March 6, 2020. All meals, accommodations and activities will be supplied. We will be travelling to Edmonton via a coach bus. We will be staying at CFB Edmonton. Returning home on Sunday March 8, 2020. This is the actual day of the competition so we will get out of town as soon as we can on Sunday, but it could be a long day.

Here is the itinerary and we have some fun stuff for the cadets to participate in.
