27 May 2025,

Dear Parents,

We have been informed that there has been a case of head lice at the squadron. The affected cadet was present at the Field Training Exercise two weeks ago and was sharing a tent and was in close proximity to multiple other cadets.

We advise that you check your cadet's head for lice. We have attached an information sheet on head lice to this letter.

Thank you for your attention to this matter.

Sincerely,

Taran W. Nasedkin
Captain
Commanding Officer
