

Annex A

Directions/Orders for cadets

On 22 Oct 2026, from 1900-2100 hrs Aircrew Survival cadets will participate in advanced training at Kleskun Hills Campground, East of Grande Prairie (RR41/TWP724). This training is optional but cadets from the Aircrew Survival team are encouraged to attend. Cadets will undergo training in fire-starting and star-gazing and must be prepared for the weather as per the below kit list

Kit required:

- FTU uniform and/or appropriate Civilian clothing.
- Rucksack
- Equipment and survival kit based on Class work (speak with seniors in chat for details)
- Warm Jacket and Layers (expect to be outside for the duration of the activity)
- Water bottle filled with water
- Snacks (if desired)
- Gloves/Toque/Scarf based on weather conditions
- Headwear based on weather (Tillies or toques only- baseball hat for those in civilian attire)

Directions:

From RR51/Hwy 43 (Ritchie Bros Intersection):

Head East on Hwy 43 9.8km, Turn Left on RR41 and proceed North for 3.2km, Turn Left onto Twp 724 and proceed West for 1.2km into

If you have any questions or concerns, please reach out to the activity OPI: CI Jay Vogelesang (jay.vogelesang@cadets.gc.ca)
